Sub: Submission of Joint Option by eligible employees/ ex-employees in pursuance of the Hon'ble Supreme Court's order dated 04 Nov 2022

1. It is informed that while processing higher pension applications of eligible / serving employees of HSL, it is observed that Date of Joining and Date of Leaving of EPS (i.e. completion of 58 years) of some of applicants are not matching with HSL records since most of the employees have recorded their date of leaving of EPS as date of superannuation instead of date of completion 58 years.
2. Therefore all the applicants are once again requested to verify the Date of Joining & Date of Leaving of EPS in EPFO Unified portal, and in case of any mismatch, it is advised to revoke the application and resubmit with correct data (Date of Joining and Date of Leaving of EPS etc.) online immediately.
3. Applicants are advised to take all due care and responsibility to ensure that only correct data is entered in EPFO Unified portal. HSL shall not be responsible for any incorrect data submitted by the applicants.
